

ASMAA (Disclosures)

YOUR CRB CHECK

IS OUT OF DATE

..have you renewed yet..?

The old CRB check has been replaced by what is now known as DBS - the Disclosure & Barring Service checks. If you are involved in direct contact with other people's children (and/or vulnerable adults) you need to prove that you are no risk to those we trust in your care.

This does *not* only apply to club heads - this applies to anyone within your organisation; assistant coaches, helpers, referees, first aid givers ..in fact anyone in your environment regularly around our children.

As a responsible Organisation, quite rightly you would expect it of us - and as responsible instructors we expect it of you.

Keep Covered - Keep in date - Get checked.

WE'VE MADE IT EASY FOR YOU...

Go to: abel-trainingwales.co.uk

Click on "courses". Click the "disclosures" slider ..then you're in!

Username: **allstylesremote**

Password: **allstyles63368**

You should read our helpful disclosures advice pages for more information before you start. Then simply fill in the Forms and get it sorted! For security reasons, this service will automatically log you off after ten minutes inactivity. Be prepared! The forms are easy, but have your evidences ready so you can fill in the relevant sections with out problem.

HOW MUCH DOES IT COST, HOW LONG DOES IT TAKE & HOW LONG DOES IT LAST?

ASMAA, in keeping with the Law, requires any person who instructs or has involvement at any level with children or vulnerable adults to hold a fully in date and enhanced DBS certificate, issued through us. We **declined** our insurers "offer" to process this enhanced level for you - at a cost of £80. Your ASMAA DBS Enhanced Disclosure fee is only **£30**, using secure direct bank transfer.

Once payment has cleared and we have received your documentation, initial processing is generally within 48 hours and is then submitted to DBS - full completion for DBS certification is rarely longer than 10 working days and often less. Certificates are sent directly to your registered address.

How long do they last? Well DBS certificates have, in theory, no expiry - but in truth just like a vehicle MOT they hold a very short validity.

It is generally recommended, for insurance purposes, that you renew annually.
